## Spa Box Set Catalog

Glo Girl Body Products Inc. offers a signature treatment box program

This treatment plan takes the guess work out of designing a spa treatment menu.

We've created delightful boxes that contain everything you'll need for scrumptious treatments that will attract clients with its selection of indulgent, luxurious spa treatments they won't find in every corner salon.

The treatment menu selections are endless – we can combine anything your heart desires, give us a theme and we can come up with the rest.

*Below are a just a few of the signature treatments we've created.*

The list below contains the pedicure directions however all of our products can also be used in body treatments,

*Several Standard Box Options available*

1. Starter Kit: 8 oz silky foot soak syrup, 10 oz Shea butter sugar scrub, 4 oz body soufflé/Frosting
2. 16 oz Silky Foot Soak, 16 oz Scrub, 10 oz Whipped Body soufflé/Frosting
3. 32 oz Silky Foot Soak, 32 oz Sugar Scrub, 16 oz Whipped Body Souffle/Frosting

Additional Add on:

1. Bath Sprinkles
  2. Fizzy Bath/Ice-cream Balls
  3. Foot & Leg Masque
  4. Dry Oil Finishing Spray – Leaving legs silky smooth adding a body bling shine (Ready for a night on the town)
- Sugar Scrub: Our scrubs are made very thick they emulsify and turn into a creamy lotion when used with water. We suggest using 1 – 1.5 oz of our scrub per each treatment – (depending on your product usage you can get up to 20 treatments per package)
  - Whipped Body Souffle: Our Souffle's are a heavy, thick, body butter type lotion. A little goes a long way and when used with our moisturizing soaks and scrubs you need very little soufflé top finish off the treatments. (We suggest using .5 oz per treatment)

### *Apple Pie ala-Mode*

Something this decadent shouldn't be calorie free! Our apple pie fragrant treatment is so fabulous it will make any girly girl jump out of her stiletto heels! Indulge while drinking a cup of apple cinnamon tea while you enjoy soaking your feet in crisp apple soak, infused with apple peel fibers and apple extracts (You can even add a special touch by adding sliced dried apples into the hot water for an extra fragrant experience (apples are beneficial, the malic acid, which is known as an exfoliating enzyme in apples that is useful for removing dead skin cells and surface dirt). Next your feet and legs are pampered with our delicious apple pie scented sugar scrub which contains apple extracts, crushed apple seeds for exfoliation, apple fibers and ground cinnamon. You can also add a creamy whipped cream mask on the legs and feet (Leave the treatment on for 10 minutes while enjoying the heady delights, guilt free!) This treatment ends with our vanilla ice-cream scented whipped body soufflé.

### *Biscotti Breakfast*

Forget the coffee and donut in the morning treat your feet to a breakfast boost which contains creamy crushed almond, brown sugar, oatmeal & moisturizing oils. This treatment begins with bathing your tired feet in a warm bath of oatmeal silk soak. Our soak is infused with real oatmeal for a concentrated healing cream that soothes dry inflamed skin. Feels like silk on skin and smells like fresh biscotti. Next your legs and feet are massaged with our mouthwatering biscotti scented scrub blended with oatmeal which soothes the skin, while the crushed almonds and brown sugar exfoliate. Great for sun burned or irritated skin. This wonderful treatment is topped off with our vanilla biscotti scented whipped body soufflé. Not only will you walk away feeling sweet, you'll smell that way too.

### *Coffee & Cream Pedicure*

*Also known as: "The Morning After Treatment" + "Wake up and smell the Java"*

No better way to start or end your day by dipping your tootsies into our invigorating foot soak, which combines, dead sea salt, ground Arabic coffee beans, dried coconut milk, shea butter, & soothing essential oils. Next you will be massaged and exfoliated using our coffee scrub, blended with natural roasted coffee beans which are known to increase circulation and help increase lymphatic drainage and eliminates toxic deposits when massaged into the skin (this scrub can also be used as a leg masque, after the scrub has been applied and massaged onto the skin - simply heat two wet warm towels and wrap them around each leg. The heat from the towels will begin to brew the coffee leaving you with a lovely aroma and a fabulous feeling finish! You can't have coffee without the cream - this pampering treatment ends with our sweet milk scented whipped body soufflé.

### *Cupcake Pedicure*

Pure indulgence! Which type of cupcake are you craving, Chocolate or Vanilla? You will start this treatment with your choice Chocolate or Vanilla foot soak, and let's not forget the sprinkles - no cupcake is complete without the sprinkles, this soak comes complete with dead-sea salt sprinkles. After soaking in the sweet goodness, your tootsies will be treated with our buttery soft cupcake scented sugar scrub. This cupcake treatment is topped off with butter cream scented body frosting! A perfect treat for anyone with a sweet tooth!

### *Dulce De Leche*

This scrumptious blend offers a dessert-like mixture of sugar and caramel. From the alluring opening to the captivating finish, Dulce De Leche is filled with the instant gratification that can be found in the exquisite dessert originated in Argentina. This sweet indulged treatment starts off soaking in our sweet smooth milk soak to moisturize your skin, followed by massaging our rich caramel sugar scrub into your skin, removing dry dead skin leaving you glowing! This treatment ends with our sweet caramel milk whipped body soufflé, which is delightful light sexy scent.

### *Spiced Pumpkin Pie Pedi (Great for dry skin)*

This treatment is so yummy it will satisfy your sweet-tooth without gaining an ounce! That's right, treat your toes with our freshly baked pumpkin pie pedicure. This luxurious treatment starts with a hydrating, silky pumpkin pie foot soak, next, a pumpkin peel containing AHA's is applied to break down calluses. Next our creamy shea butter exfoliating scrub will remove dry skin and improve circulation. Finally, your feet will be massaged with our whipped cream scented whipped body soufflé containing vitamins A, E, and Aloe Vera. Our Pumpkin Pedicure will leave your feet soft and refreshed, and your appetite yearning for a piece of pumpkin pie!

We originally developed this treatment to help heal extremely dry skin, since pumpkin is rich in vitamins A, C, E and K and zinc. It was only until later that we found out that pumpkin is also a natural aphrodisiac. That explains why treatment box always flies off the shelf!

### *Chocolate Cupcake Pedicure:*

A chocoholics dream! Start your journey to candyland with a relaxing soak. The scent of Chocolate Cake will soothe your senses. This special blend will soften and relax your skin. All the special chocolate oil blends contain Vitamin E, Jojoba, Grapeseed, and Sweet Almond oils. Next you'll be massaged using our delightful shea butter sugar scrub to exfoliate your legs and toes. They'll be left unbelievably silky, smooth and glowing. The indulgence doesn't stop there! Your feet will be covered in a warm soothing marshmallow scented whipped body soufflé. Our Chocolate Cake Pedicure will surely be one of the most amazing spa services you've ever experienced!

We invite you to enjoy this special spa treat! This is a truly wonderful addition to our ever evolving "Signature Spa Packages"

### *Warm Caramel Pear*

Soak in our vanilla ice-cream scented soak, followed by our signature sugar scrub that smells good enough to eat starts with hints of fresh Anjou pears drizzled with warm caramel sauce. This delectable body dessert is topped off with our vanilla caramel whipped body soufflé, leaving you smelling sweet and silky.

## Just for the little girls & Big Girls too!

### *Hot Chocolate (Great for winter but fun for summer too – Read below)*

This is a top seller for big girls and little girls too. This is a perfect treatment for fall or winter days and a wonderful way to end a long day of holiday shopping. Sit back, close your eyes and relax as you soak your toes in a bath of warm hot cocoa silk soak. A few minutes into soaking, your nail tech will add a marshmallow bath bomb which released skin softening ingredients and oils for an extra pampering treat. This soak smells so wonderful, you'll want to lean over and drink the water...but don't, it would taste very good! After soaking, your feet/hands are smothered in our warming chocolate scrub that heats when applied to the skin. This pampering treatment ends with massaging a topping of our warm marshmallow body soufflé.

**Iced Mocha:** This treatment can also be a fun summer treat by offering this as a iced mocha treat. This treatment is perfect for hot summer days, dip your tired, heat swollen feet into a cool tub of Iced Mocha (You can actually add a few ice-cubes to a luke warm basin of water) It would include the same steps, however, the marshmallow bath bomb would be replaced with a whipped cream scented bomb. The sugar scrub could also be made without the warming effect. The body soufflé would be replaced with a whipped crème scented soufflé.

*(You can also think about adding onto this treatment by treatment can also include a chocolate leg masque or wrap. Along with a sweet Sugar Shot (Dry body Oil) to top off this tantalizing treatment)*

### *Ice-cream sundae (Banana split)*

This treatment can be made one of two ways.

1. Our banana split fragranced used throughout the entire treatment line. Our fragrance is delicious is has all of the wonderful hints of a real banana split blended into one fragrance. I could not believe how wonderful this scent was – its has every hint, the banana's, chocolate, vanilla ice-creams, you can even smell the whipped crème of course the cherry on-top.
2. You can also create your own unique sundae. Treatment would begin with dipping your toes

into a banana silk foot soak, our soak is blended with silk amino acids along with banana fruit fibers which have antibacterial properties that help maintain healthy feet/skin. Next your feet will be slathered in a ice-cream scented sugar scrub (Chocolate, Vanilla or Strawberry). Next your legs and feet will be topped off with a sweet whipped cream scented soufflé. As an added touch, this treatment could also include one of our sweet sugar shots (Dry oil body spray) maraschino cherry scented, which would be applied as the last step to this treatment leaving your clients skin silky soft and smelling yummy!

### *Lemonade Stand:*

Dip your toes into a puckering blend of tart yet sweet lemon & silk infused foot soak. Our foot soak is blended with aloe, lemon juice, lemon essence and citrus essential oils. You can also sweeten this sour treat by adding fizzing bath salt candy (Strawberry is a yummy blend – making strawberry lemonade). Next we will pamper your feet with our Shea butter blended scrub, scented in your choice of (strawberry lemonade, puckering lemonade or cherry lemonade). Our sugar scrub combines pure cane sugar, shea butter, lemon extracts and citrus essential oils, fruit fibers and lemon zest top off this refreshing exfoliation. This fabulous treatments finishes up with our signature citrus, whipped body soufflé which makes your fingers &

toes feeling freshly fabulous.

### *Mint Chocolate Chip Ice-cream treatment:*

This is a refreshing yet sweet treat for any hands and feet. This delectable treatment begins with dipping your toes in a revitalizing tub of mint chocolate chip, silk soak, 10 minutes into treatment your nail tech will sprinkle fizzing chocolate bath sprinkles to the basin, the sprinkles are made with dead sea salt, drizzled in skin softening oils. *Dead Sea ingredients are naturally rich in minerals found in the Dead Sea bed. The high mineral content allows cation exchange to detoxify the skin. They help revitalize, exfoliate and purify the skin. They draw excess oils and debris from the skin leaving a clean fresh feeling.* The scent smells just like a big scoop of mint ice-cream. The minty coolness of peppermint is not only smelt in this

treatment but your feet will feel the refreshment too. Next your skin will be slathered in our mint chocolate chip ice-cream, sugar scrub. This scrub contains shea butter, blended with cocoa absolute and peppermint leaves for added exfoliation. After you are scrubbed to perfection, our luscious whipped cream scented body topping will be applied for a relaxing sweet treat for your hands or feet!

### *Marshmallow Treat Feet (aka: Rice Krispy or Easter Peep treat)*

Treatment time 50 minutes: Sugary sweet, tooth aching, pure ooey goopy fun! This is a pure marshmallow fluff treat. This treatment begins with one of our delicious foot soak treatments (Choose either a marshmallow, silk syrup or a marshmallow fizzy ball, the fizzy ball releases skin softening oils while bubbling in the basin water) – Soak for 15 minutes. Next slather on our creamy, exfoliating marshmallow bath fluff – this is a lighter, whipped version of our normal sugar scrub, it has the same skin softening ingredients however it's extra whipped so it has the consistency of real marshmallow fluff (Exfoliation time 15 minutes). We have added an extra step in this sweet feet treat, we've created a cooling marshmallow foot masque. Our masque is applied for ultra hydration and toning has a thick, like frosting texture which is applied using a body brush (included). Last your tootsies will be topped with our fluffy marshmallow whipped

body soufflé – leaving you silky smooth and smelling yummy!

### *Peppermint Patti Pedi:*

Splash around in a sweet yet cool peppermint foot soak, this soak will leave your feet refreshed and ready to indulge in the next step in this treatment, a chocolate mint foot scrub. Our foot scrub combines Shea butter, blended with sugar crystals, real cocoa absolute, cocoa powder, along with peppermint essential oils. Then melt into a peppermint foot/leg masque, this masque will be applied to your legs and feet and will help restore sore muscles and help with blood circulation. This treatment finishes off with a chocolate whipped cream massage.

### *Pumpkin Pie Sundae:*

Slip your restless soles into a sweet and calming getaway. A fizzing pumpkin and marshmallow soak makes your feet feel warm and cozy. Allow the vitamin A and beta-carotene from the pumpkin scrub and mask to purify and tone your legs. Your achy feet are then treated to a massage using our marshmallow/whipped cream scented body soufflé - You'll have the sexiest legs in town when this pedicure is done.

### *Sweet Smore's Soak (aka; Camping Feet Treat)*

This treatment can be done one of two ways (a straight smore's fragrance throughout the entire treatment which is a one fragrance or a step by step, build a smore's pedicure. The description lays out the protocol for the build a smores pedicure).

This treatment is so much fun, sit back, relax and close your eyes.....you can almost smell the campfire. Kick-off your hiking boots and begin your camping treat with a warm milk chocolate soak. Your mouth will water when we begin the exfoliating process using our

signature graham cracker sugar scrub. This sugar scrub smells so amazing it's just like indulging in a jar of crushed honey grahams. Your pampered toes will be smothered in a toasted marshmallow whipped body soufflé – leaving you smelling sweet!

### *Fun at the Fair: funnel cake, cotton candy, caramel apple*

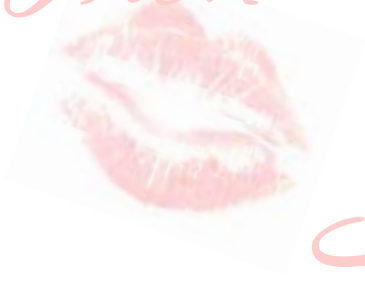

This special creation was designed for a well known mom in Hollywood, who shall remain nameless – she was hosting a carnival themed party and asked us to create a signature pedicure for her daughters 10<sup>th</sup> b-day. Sit down and allow us to take you on a fun trip to the fair, without ever leaving your chair. Close your eyes while this special treatment begins with a warm funnel cake silk soak (soak for 5 minutes)..... but of course you cant have funnel cake without powdered sugar, we have incorporated a special fizzy powder scented in powdered sugar (Add a tablespoon of our fizzy bath powder to the basin and watch the fun bubbles as they disperse a sweet sugary scent, while releasing skin softening goodness into the water) (Soak another 10 minutes). Next, little toes will be smothered in

ooey, goeey caramel apple sugar scrub, this scrub is so scrumptious and you'll want to take a bite, but don't.....our products would never harm you, they just don't taste very good. Your adventure at the fair ends with a cotton candy scented whipped body soufflé (choose pink strawberry or blue sugar berry). This special treatment will leave you super sweet – and your feet will be ready to run from the boys!

This little excursion ends with a regressing coconut whipped body soufflé massage!

### Beer Fest (MAN-icure)

Okay Glo Guys, you asked for it – this special pedicure was designed just for you. This the perfect treat for any beer lover. Whoever said beer doesn't do the body good is CRAZY! Say goodbye to your beer goggles – Our beer pedicure is a perfect treat and the best part about it, there is no hangover, calories, slurred speech and blackouts. The treatment starts off by soaking your feet in a beer infused soak (Yes, the soak uses real beer). We also suggest allowing clients to soak in real beer (Yep, buy cans or bottles and pop the top and pour the beer in the basin!

The monks have known the healing effects of hops & malt, now we at Glo Girl are sharing that secret with you. Beer contains A+B complex, that is known to be very good for the skin, it also contains enzymes that soften the dead skin and calluses while the hops moisturizes, smoothes and relaxes the skin. Next your feet will be massages using our beer scrub which combines shea, cocoa butters along with other skin softening oils and ingredients – we fold all of these pampering ingredients into a real lager beer base. The scrub can be scented with any fragrance or you can choose to leave it unscented and natural (which is a mild aroma reminiscent of malt beer). Last, this treatment ends with a manly massage, using a beer infused whipped body soufflé which is paired with the fragrance of your choice

### Box of Chocolates

This treatment starts with a mint chocolate scented foot soak (or fizzy bath sprinkles), leading into a warm milk chocolate exfoliating sugar scrub (Ask about our warming sugar scrub), next comes a dark chocolate leg masque (Depending on the desired treatment plan - our masque can be combined with any wet ingredients; yogurt, milk, water, body butte) one scoop of our masque combined with the wet ingredient of your choice will be painted onto the skin using a body treatment brush. This treatment can also be warmed for a relaxing addition. Once the leg masque is applied, you can leave the client to dry for 10 minutes or wrap them with warm wash clothes – finish by wiping/rinsing off with warm water. This treatment ends with a chocolate whipped body soufflé massage. You can also try adding a chocolate truffle dry oil spray spritzer into this treatment plan – which will leave clients legs feeling silky smooth and super soft!

### Breakfast in Bed

What a way to start the day – Slip your feet into our soothing oatmeal, milk & honey soak. Followed by a warm exfoliating coffee scrub, which combines shea butter, coffee absolute mixed in with crushed Arabic coffee beans. Next your legs will be wrapped in warm wet towels where the coffee begins to brew, while moisturizing your skin leaving your senses to enjoy the comforting coffee scent. This treatment ends with a skin softening message using our creamy whipped body soufflé (sweet cream scented)
